Experience Doesn't Cost ... IT PAYS

Experience should not be measured by number of years alone, but more importantly, by the number of auctions conducted.

When you're planning an auction don't settle for less.

Call 1-800-529-9958 to discuss your auction plans

KRAMER AUCTIONS LTD.

krameracution.com

WELCOME TO OUR SPRING 2015 AUCTIONS

Welcome to our 2015 Spring Auction Catalogue. Thank you for taking time to preview our 2015 Spring Auctions. Farm Auction Season is our favorite time of year! Whether you are Buying or Selling we look forward to assisting you with our auction services.

We are noticing an increased volume of auctions. As generations change, we find ourselves conducting a large number of auctions for the "Baby Boomer" era as they make the transition to retirement. Just as one generation is facing retirement, it's exciting to see the increased interest of the next generation of young farmers and ranchers entering the exciting world of Agriculture.

Auctions continue to be a preferred method for buying and selling quality used equipment. Sellers find auctions an efficient method of marketing their used equipment for a fair market value. Buyers often look to Farm dispersal auctions as their first choice to buy used equipment. Buyers appreciate the opportunity to talk to sellers prior to the auction about the history and maintenance of equipment. Our theory is the more buyers know, the more comfortable they are when bidding.

Kramer Auctions Ltd. is a 3rd Generation "Family Owned & Operated" Auction Business and are deeply rooted in the Agricultural Community since 1949. As times change we continue to adapt our services while remaining strongly committed to our core values you've grown to trust over the past 66 years. Our internet services are mobile friendly allowing you access to auctions 24/7 so you never have to miss another auction. Our fleet of auction equipment creates a professional auction environment providing all the amenities. We are 100% dedicated to the auction business with the common goal of "Consistently Providing Quality Auction Experiences." When it's time to Buy or Sell Equipment or Real Estate we are determined to be your first choice for auctions.

After a long winter, why not attend some Spring Auctions? Enjoy a road trip and visit some new country. Best of all, get a chance to visit with some of the greatest people in the world – "Prairie Farmers and Ranchers."

Please remember to Travel Safe and we look forward to seeing you at the Auctions. From the Kramer Family and our entire Auction Team, we wish you the best for 2015.

kramerauction.com

STATEMENT OF PRINCIPAL Buyers bid with confidence at our auctions. They know at no time whatsoever will they be in the position to have to bid against the auctioneer. Kramer Auctions do not purchase auctions, we conduct them. We do not guarantee returns. We believe this process will interfere with the integrity of the auction system. An auctioneer should never be in the position where he is tempted to bid against his customers. Therefore, you as a bidder can rest assured that you will not be bidding on equipment pre-purchased or price guaranteed by the auction company, BUT only bidding on equipment that is owned by the sellers we represent.

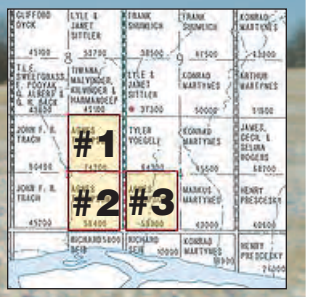
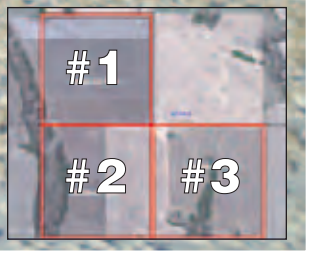
KRAMER'S BIG BID BARN • NORTH BATTLEFORD, SK

3 QUARTERS - RM OF MAYFIELD #406

Three quarters of highly productive grainland in the RM of Mayfield. This property is located approx 4 miles south/east of Denholm, SK. (Denholm is located 20 km east of N.Battleford, SK along Hwy#16) These 3 quarters are uniquely situated along the beautiful North Saskatchewan River Valley with a full mile of river valley exposure. The property is on the north side of the river, therefore south-sloping with gorgeous views of the valley and the river. For anyone looking for unique country living or hobby farm locations, this property features some perfect building sites within a 20 minute commute to the city! For farmers, the south slope means more heat units and a longer growing season for crops on this productive package. Also featured are some interesting ravines with lots of wildlife and some great hunting potential. Don't miss your opportunity to bid on this unique property.





PARCEL	LEGAL DESCRIPTION	ASSESSMENT	TITLED ACRES	CULT ACRES
#1	NE 5-42-14 W3	109,800	+/-160	+/-158 - 2 acres ravine
#2	SE 5-42-14 W3	86,300	+/-160	+/-125 - 35 acres ravine
#3	SW 4-42-14 W3	87,600	+/-160	+/-136 - 24 acres ravine

GRAIN BINS (To Be Sold Separately): GRAIN BIN SIZES ARE APPROXIMATES ONLY. IT IS YOUR RESPONSIBILITY TO INSPECT TO YOUR OWN SATISFACTION PRIOR TO BIDDING.
- **3300 bu Westeel hopper Bin (purchased in 2012)**

- **2300 bu Westeel Rosco flat bottom bin on steel floor**
- **2 - 2000 bu Westeel Rosco Flat bottom bins on steel floors**

TERMS & CONDITIONS: PROPERTY WILL BE OFFERED BY PUBLIC AUCTION IN INDIVIDUAL PARCELS. A non-refundable deposit of 10% of the purchase price will be required from the successful bidder on sale day. Balance of the purchase price must be paid in full within 30 days of sale date. Possession to be upon completion of payment and transfer of title. 2015 taxes to be paid by the buyer. Buyer and Seller will be responsible for their own legal fees. FINAL BID WILL BE SUBJECT TO SELLER'S APPROVAL ON SALE DAY.

5 QUARTERS
RM OF ROSEMOUNT #378 & RM OF GLENSIDE #377

FARMERS, INVESTORS...
Here's what you've been waiting for!
5 quarters of excellent quality grain production land in the RMs of Rosemount and Glenside. This land is high assessed - from 85,000 to 98,700; cultivated almost from corner to corner with 761 out of 797 acres cult, 4 quarters in one block, the 5th quarter within 1.5 miles. Yardsite with buildings is located on NE12-39-16-3. Property is situated just 1.5 miles south of Cando, SK. (Cando is located along Hwy#4 approx 40 km south of N.Battleford or 47 km north west of Biggar). Take advantage of this opportunity to add some quality land to your holdings.

66 Years and Counting

Kramer Auctions Ltd. has been serving farmers since 1949. For over 66 years we've built our auction business with honesty, integrity and personalized service. Just like farming, our family business has been built with years of experience passed on from generation to generation. When planning an auction, you will find it comforting to know that an experienced Kramer representative will lead you through the entire auction process. We continue to carry the reputation for providing top farm auction results. Best of all, we are a family owned & operated business that truly cares about making your auction a **"Quality Auction Experience."**

DETERMINATION

THAT'S THE FEELING OF BEING ON
THE EDGE OF SOMETHING GREAT.

It takes more than a
by-the-book approach.

It takes the dedication to rise
while the world you feed sleeps.

It takes the courage to lead without
knowing what's around the next corner.

It's why you get out of bed
each and every day.

Long Time Area Business Retirement Auction McIntyre Construction Ltd. May 1st – Birch Hills, SK

AFTER NEARLY 50 years in business McIntyre Construction Ltd. has contracted Kramer Auctions Ltd. to conduct a complete Retirement Dispersal Auction for their Equipment & Property. On offer will be a large fleet of well-maintained Heavy Equipment, Shop Tools and fully serviced shop in Birch Hills, SK. This will be one auction you won't want to miss.

McIntyre Construction Ltd. has been a major contractor in the Water Works business for many years and will be missed both locally and from a far.

George and Alice have lived in Birch Hills for 53 years. In those years they have been in construction for 48 years. Their work in water and sewer has taken them to as far north as La Loche, to Maple Creek in the south, Hudson Bay in the east, and a lot of places in between here in Saskatchewan. They look forward to a big change in their lives as they retire.

Alice & George wish all of you a Happy New Year!

Kramer Auctions Benefits our Youth in the Future of Agriculture

FOR THE PAST 14 years Kramer Auctions has been involved with Lloydminster Pfizer Stockade Roundup Beef Sale. This show is well respected in the Agricultural industry. Adding to the excitement of the show, for the past 2 years Kramers have created a Scholarship fund promoting the future of youth involvement in Agriculture. When creating this they wanted to give each and every youth the same opportunity to earn the scholarship. They decided to create a Senior Showmanship Scholarship award of $1500.00. This award will be given to the youth each year that participates in the Senior Showmanship Beef class at Stockade Roundup and will be awarded to the youth that shows the most spirit in Showmanship. This means that the winner won't necessarily have best animal in show but does the best with their animal and shows spirit. The funds from the scholarship will be held in Trust and applied to future Agricultural Studies. The Scholarship winner also has the ability, if they are eligible and are a 4-H member, to use some of the proceeds towards expenses for Provincial and National judging competitions.

Lindsey Papenhuyzen, Stoney Plain, AB
2014 scholarship recipient

Over $460,000 raised in 2014 Kramer's helping build stronger communities

ANOTHER YEAR HAS been wrapped up and 2015 is now upon us. Over the past year the Kramer Auctions family has volunteered their auctioneering services to many different community service clubs and organizations to help raise funds in excess of $460,000. Some include multiple District 4-H Clubs, STARS Ambulance and Hospital Foundations to the Boys & Girls Club and Battleford's Trade & Education Centre as well as many clubs & organizations in Southern Saskatchewan that the Somerville family volunteer their time to. By volunteering our auctioneering services, we assist numerous clubs & organizations to reach fundraising goals for projects they are focussed on. The funds spent on these projects help build stronger communities with deeper roots which we all benefit from. We are a very community minded family business and help more than just community clubs and organizations. When called upon, we and our staff volunteer our auctioneering skills and services to assist families who are in need of financial support due to an illness or sudden tragedy. The Kramer Auctions family is proud to be a part of the Battlefords and area community as well as numerous other rural communities.

The Kramer family would like to thank their staff who volunteer their own time for these events. The Kramer's would also like to extend their thanks to any of the volunteers that help organize these events as well as those who have attended any of the fundraisers and have participated in the bidding.

Without your participation & support, these events would not be successful.

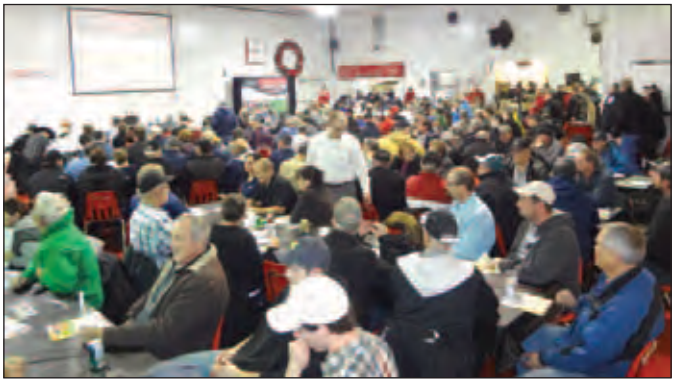
2014 Land Auctions Year in Review



2014 WAS ANOTHER successful year for land auctions. The market for buying and/or leasing land changed throughout the year. We noticed grain land prices to level off and grazing land to increase. This should be no surprise as it is a direct result of recent commodity prices. Throughout the year we had a variety of land that was SOLD or LEASED by Auction. As you can see by the results shown in the charts below, the land we offered varied a great deal from one area to the next. We also observed that the demand in each area is unique. Some areas still maintain a large number of small mixed farming operations, others may only have a few large operations and a lot of areas have numerous mid-sized farm operations looking to expand.

The auction method of marketing is quickly becoming a preferred method of buying or selling farmland. Sellers like the convenience of a known date of sale allowing them to make forward plans. They also like the peace of mind knowing their property will be well marketed creating a true market value by allowing all bidders equal opportunity to participate in open competitive bidding at the auction. Buyers like the auction method because they know every interested party has a fair equal opportunity to take part in the bidding on a specific date. An auction is very transparent with bidders knowing exactly what their next bid must be to stay involved in the sale. Bidders have confidence knowing they are only placing one bid higher than what the last bidder was willing to pay.

Trends for grain land continued strong in some areas and slightly softer in others. Pasture land showed signs of increasing value later in the year. Land with recreational potential has also continued to create good demand. Below are hi-lights. Please visit our website to find more information.

FARM LAND SOLD BY AUCTION IN 2014

LOCATION	NAME	DATE	PRICE	DESCRIPTION
