Fewer Fall Auctions due to Late Harvest

It's no surprise that we are having a later harvest this year. As a result we are noticing fewer Fall auctions. Some clients have crop to take off and cannot properly prepare for a Fall auction. Therefore they have made the decision to move their auction to Spring or Summer. This means less Fall auctions to attend but on a more positive note there will be a great selection for next Spring and Summer. Watch our website for more updates this fall.

***In the words of Raymond Somerville from Somerville Farms,
"Never done much harvest in September, October is the month.
When harvesting in August, the crop is usually poor.
October is the month, that is why we have Oktoberfest!"***

Kramer Company Fishing Trip - September 2010

Every year the Kramers try to plan a getaway for employees and business associates. This year's destination was Kane Lake, Saskatchewan located 270 km northeast of La Ronge, Saskatchewan. The September trip consisted of three days of rain, rain and more rain. Attending from Kramer's was Neil Kramer, Kim Kramer, Brendan Kramer, Michael Higgs, and John Gaetz. Tom Sparks and son Nathan of the Southland Trailer Corp - Lethbridge, Alberta also took part in the festivities. Traveling far north to join Kramer's was Harold Musser of Musser Bros. Auctioneers Inc - Cody, Wyoming and a friend of Harold Musser's, Bill McKormick - Cody, Wyoming. This trip was a great time to relax and enjoy Saskatchewan's beautiful North. At the same time it was an excellent opportunity to discuss business. The Champion of this year's fishing trip was Harold Musser landing a 44" 20 lb 4 oz Northern Pike with John Gaetz in a close second bringing in a 39"15 lb Northern Pike. Good Times had by all!
